

Dear Ranch & Home Family,

Our Ranch & Home stores will be staying open to serve you as best we can. We are here for you if you are in need of any emergency supplies and/or feed. If you are unsure about if we have what you are looking for in stock, please don't hesitate to call us before coming in. Our goal is to keep you informed about what products we have available and to keep our customers and R&H Team healthy.

- For current store hours and updates please visit our website or Facebook page.
- We have increased and extended our cleaning services to all common surfaces such as shopping cart handles, payment pads, phones, call buttons, all hard surfaces, and other common areas.
- All of our employees have been notified and informed to monitor their health and to stay home if they aren't feeling well. These practices have been advised by the CDC, OHA, and WSDOH, as well as guidance from our U.S government and public health agencies.
- We are making sure that our shelves are stocked with everything you need to care for your family, land, and animals.
- Our team members are ready to assist in any way possible.
- Please practice Social Distancing and be safe.

Thank you for being a loyal customer and part of our Ranch & Home family!
